Product Description:

NETA X China Motors Pure Electric Vehicle Hot Selling Neta X 2025 500 AIR 400 lite SUV Electric Car Neta X The dimensions of the Neta X are 4,619 millimeters in length, 1,860 millimeters in width and 1,628 millimeters in height, with a wheelbase of 2,770 millimeters. In terms of appearance, the front face adopts slender L-shaped headlamps, and the split design with dynamic front side wraps and ribbed lines on the engine cover is highly recognizable. The car is available in Pearl White, Sky Gray, Amber Brown, Charming Pink, Glacier Blue and Extreme Black.

Inside, the Neta X adopts a large area of brown material, with 80% of soft package coverage. The car is equipped with an 8.9-inch full LCD instrument panel and a 15.6-inch square center screen, with a wireless charging panel in the lower part of the center console, and most of the physical buttons have been eliminated and a pocket gear design has been adopted, which makes the interior more concise and spacious. The seats are made of brown leather with perforations.

In terms of power, Neta X is equipped with a drive motor with a maximum power of 120 kW, front MacPherson and rear multilink, h-ept4.0 battery thermostatic thermal management system, and CLTC range of 401 kilometers and 501 kilometers.

In terms of intelligent cockpit, some models are equipped with Qualcomm 8155 car-grade chips. Entertainment features include in-vehicle WiFi, online music and online video. Safety features include dual front airbags, anti-lock braking system (ABS) + Electronic Brakeforce Distribution (EBD), Electronic Brake Assist (EBAS), and a new electronic braking system (EBAS).

Features:

Product Name: Electric Vehicle
Motor Power: 120kW
Exterior Features: LED Headlights, Panoramic Sunroof
Vehicle Type: Electric Vehicle
Drivetrain: Front-Wheel/All-Wheel
Availability: Global
BESS Battery Energy Storage System

Technical Parameters:

BESS Battery Energy Storage System	62 KWh
Electric Vehicle Lithium Ion Battery	Global
Hybrid EV Cars	Automatic
5	LED Headlights, Panoramic Sunroof
Advanced	Automatic Temperature Control
Electric Vehicle	GPS, Bluetooth, Touchscreen

Applications:

The Neta X opens a new chapter of mobility for you, as you harness the future and enjoy freedom!

Neta X, with its ingenious design, displays an unrivaled charm. The sharp headlights are like bright stars in the night sky, illuminating the road ahead; the smooth body lines, like the strokes of the wind, outline the contours of speed and passion.

Inside the car, you will be shocked by the perfect fusion of luxury and technology. The soft and comfortable seats are like a warm embrace customized for you; the large-sized central control panel is like an intelligent hub, controlling everything and bringing you convenience and fun.

In terms of power, the Neta X is not to be underestimated. The powerful drive motor instantly generates a surge of power, allowing you to enjoy the thrill of the wind. Whether it's a city street or a rugged mountain road, the Nezha X can handle it with ease, taking you on every journey.

Safety is our bottom line. The Neta X is equipped with a range of advanced safety features to protect you and your family on the road.

The Neta X is not just a car, it's a lifestyle. When you choose Neta X, you are choosing an attitude of freedom, passion and comfort. Act now and let the Nezha X be your own car, and together we will drive towards a better future!
